

ASSISTIVE TECHNOLOGY, SPECIALIST CERTIFICATE

Program Description

California State University, Dominguez Hills and the Orange County Department of Education offer a Certificate Program in the area of Assistive Technology. Federal and state laws require that school personnel be prepared to offer a full range of services to disabled persons in the area of assistive technology. This certificate program will prepare individuals to fully understand and implement these state and federal mandates. All of the courses offered meet the professional development hours for licensure renewal as required by the California Speech-Language Pathology and Audiology Board.

Who Should Attend

Educational administrators, teachers, and anyone who has the desire or professional need to learn the federal and state requirements for serving the disabled within their organizations.
