

ADMINISTRATIVE SERVICES CREDENTIAL

The School Leadership Program at CSU Dominguez Hills provides the two CTC-required pathways for Administrative Services Credentials in California. These pathways prepare educators for leadership positions in elementary and secondary schools, and certain district level positions. The School Leadership program is comprised of two tiers. The first tier, the Preliminary Administrative Services Credential, authorizes service in positions serving preschool, K-12, and adults. The second tier is for those holding a Preliminary Administrative Services Credential and employed in an administrative position. Candidates are expected to enroll in this program, called the Clear Administrative Services Credential within 120 days of beginning service on their Preliminary Administrative Services Credential.

Pre-Admission Disclosure for Academic Programs Leading to Licensure or Credentialing

Admission into programs leading to licensure and credentialing does not guarantee that students will obtain a license or credential. Licensure and credentialing requirements are set by agencies that are not controlled by or affiliated with the CSU and requirements can change at any time. For example, licensure or credentialing requirements can include evidence of the right to work in the United States (e.g., social security number or tax payer identification number) or successfully passing a criminal background check. Students are responsible for determining whether they can meet licensure or credentialing requirements. The CSU will not refund tuition, fees, or any associated costs, to students who determine subsequent to admission that they cannot meet licensure or credentialing requirements. Information concerning licensure and credentialing requirements are available from the **College of Education Dean's Office: COE 1490 - (310) 243-3510**.
