

# RADIOLOGIC IMAGING SCIENCES, CERTIFICATE

---

The Post-Baccalaureate Certificates in Radiologic and Imaging Sciences allow licensed RIS professionals to obtain additional skill sets in RIS Administration or RIS Education. These advanced-practice certificates are limited to individuals already licensed or certified in one of the Radiologic and Imaging Sciences disciplines (RTR, RTT, RTN, CNMT, RDMS, ARMRIT, RCES, RCIS, or CMD) and hold a Bachelor's degree from an accredited university.
