

SOCIAL WORK, MASTER OF SOCIAL WORK

Requirements

Total Course Requirements for the Master's Degree (60 units)

The students must maintain a 3.0 grade point average to remain a student in good standing in the Social Work program. A student will be placed on academic notice if, in any term, he or she fails to earn a grade point average of 3.0 or higher for work taken through that term. During a subsequent term of one semester, the student must achieve a grade point average sufficiently high enough to bring the cumulative grade point average to 3.0 or better. Failure to do so will result in disqualification from the program.

Students may not earn social work course credit for life experience or previous work experience.

See the "Requirements for the Master's Degree" in the University Catalog for complete details on general degree requirements.
