

SCHOLASTIC NOTICE AND DISQUALIFICATION

Undergraduate Academic Notice and Disqualification

For purposes of determining a student's eligibility to remain at CSU Dominguez Hills, both quality of performance and progress toward her/his objective shall be considered. Such eligibility is based upon a grade-point computation.

Administrative-Academic Notice

An undergraduate student may be placed on administrative academic notice for the following reasons:

1. Withdrawal from all or a substantial portion of a program of study in two successive terms or in any three terms (Note: Students with chronic or recurring medical conditions may be exempt).
2. Repeated failure to progress toward a degree or other program objective, when circumstances are within their control. This includes a student who receives 15 units of "No Credit" for course work attempted.
3. After due notice, an academic requirement or regulation that is routine for all students is not met (e.g. failure to take placement tests, complete required practicum, comply with appropriate professional standards for the discipline, complete the specified number of units, make satisfactory progress as required for financial aid, etc.).

If a student is placed on administrative academic notice, a written notification will be provided that describes the circumstances that led to the action, the requirements necessary to be removed from this status, and the conditions that may lead to disqualification.

Administrative-Academic Disqualification

A student who has been placed on administrative academic notice may be disqualified from further attendance if:

1. The conditions for removal of administrative academic notice are not met within the period specified.
2. The student becomes subject to academic notice while on administrative academic notice.
3. The student becomes subject to administrative academic notice the second time for the same or similar reason(s). When such action is taken, the student shall receive written notification including an explanation of the basis for the action.

In addition, the Provost may disqualify a student who at any time during enrollment demonstrates behavior unfit for the standards of the profession for which the student is preparing. In such cases, disqualification will occur immediately upon notice to the student, which shall include an explanation of the basis for the action. Furthermore, the campus may require the student to discontinue enrollment as of the date of the notification.

Academic Notice

An undergraduate student is subject to academic notice if at any time the cumulative grade point average in all college work attempted or the cumulative Dominguez Hills grade point average falls below 2.0.

The student shall be advised of notice status promptly. A student shall be removed from academic notice when the cumulative grade point average in all college work attempted and the Dominguez Hills grade point average is 2.0 or higher.

Academic Disqualification

A student on academic notice is subject to academic disqualification when:

1. As a freshman (fewer than 30 semester hours of college work completed) the student falls below a grade point average of 1.50 in all units attempted or in all units attempted at California State University, Dominguez Hills.
2. As a sophomore (30 through 59 semester hours of college work completed) the student falls below a grade point average of 1.70 in all units attempted or in all units attempted at California State University, Dominguez Hills.
3. As a junior (60 through 89 semester hours of college work completed) the student falls below a grade point average of 1.85 in all units attempted or in all units attempted at California State University, Dominguez Hills.
4. As a senior (90 or more semester hours of college work completed) the student falls below a grade point average of 1.95 in all units attempted or in all units attempted at California State University, Dominguez Hills.

A student who is not on notice is subject to academic disqualification when:

1. At the end of any term a student falls below a cumulative grade point of 1.0; and
2. The University Provost determines that in view of the student's overall educational record, it seems unlikely that the deficiency will be removed within a reasonable period of time.

Notice of Disqualification – Undergraduate Students

Students who are disqualified at the end of any enrollment period should be notified before the beginning of the next consecutive enrollment term (spring or fall). Students disqualified at the beginning of a summer enrollment break should be notified at least one month before the start of the fall term. In a case where a student should be disqualified at the end of a term but timely notification is not possible, the student will be notified that the disqualification may be effective at the end of the next term. Such notification should include any condition(s) that will allow the student to continue in enrollment. Failure to notify students does not create the right of the student to continue enrollment.

Readmission of Disqualified Students

For information, refer to the section "Readmission of Former Students."

Satisfactory Academic Progress (Financial Aid)

In addition to maintaining "good academic standing" at all times to progress towards degree completion, students receiving financial aid must maintain satisfactory academic progress in order to remain eligible to receive financial aid. Refer to the Financial Aid website for specific

information required to maintain satisfactory academic progress for financial aid purposes.
