Schedule of Tuition and Fees - 2020/21

The CSU makes every effort to keep student costs to a minimum. Tuition and fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU reserves the right, even after initial payments are made, to increase or modify any listed tuition or fees. All listed fees, other than mandatory systemwide tuition, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU-listed tuition and fees should be regarded as **estimates** that are subject to change upon approval by the Board of Trustees, the chancellor or the presidents, as appropriate. Changes in mandatory systemwide tuition will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 – 66028.6 of the Education Code).

The following reflects applicable systemwide tuition and fees for both semester and quarter campuses. **These rates are subject to change.**

Installment Payment of Nonresident Tuition Fees

A nonresident student who is a citizen and resident of a foreign country or of another state within the United States may pay the required nonresident tuition fee on an installment basis. (Installment plans available for Fall and Spring terms only.) This payment is limited to three equal installments.

The first installment shall be due 30 days from the first date of classes as stated in the Class Schedule.

The second installment shall be due 30 days following the first installment.

The third installment shall be due 30 days after the second installment. A 7% service charge will be added to each installment payment to cover the cost of handling. Any student failing to make timely installment

payments may be prevented from paying fees on an installment basis in subsequent semesters.

Nonresident students as defined above shall pay all registration fees required of resident students by the same date as required for resident students.

Tuition Fee Installment Plan

A Fee Installment Plan is available for fall and spring terms. See the Schedule of Classes for information.

Refund of Tuition and Mandatory Fees, Including Nonresident Tuition Fee

Regulations governing the refund of tuition and mandatory fees, including non-resident tuition, for students enrolling at the California State University are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those systemwide and campus fees that are required to be paid in order to enroll in state-supported academic programs at the CSU. Refunds of fees and tuition charges for self-support, special session, and extended education programs or courses at the CSU are governed by a separate policy established by the University, available at <http://www.csudh.edu/ceie/registration/policies/index> (<http://www.csudh.edu/ceie/registration/policies/index/>).

In order to receive a full refund of tuition and mandatory fees, including nonresident tuition, less an administrative charge established by the campus, including non-resident tuition, a student must cancel registration or drop all courses prior to the first day of instruction for the term. Information on procedures and deadlines for canceling registration and dropping classes is available in the Schedule of Classes.

For state-supported semesters, quarters, and non-standard terms or courses of four (4) weeks or more, a student who withdraws during the term in accordance with the University's established procedures or drops all courses prior to the campus-designated drop period will receive a refund of mandatory fees, including non-resident tuition, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or non-resident tuition.

A student who, within the campus designated drop period and in accordance with campus procedures, drops units resulting in a lower tuition and/or mandatory fee obligation shall be entitled to a refund of applicable tuition and mandatory fees less an administrative charge established by the campus.

For state-supported semesters, quarters and non-standard terms or courses of four weeks or more, a student who withdraws during the term in accordance with the university's established procedures or drops all courses prior to the campus-designated drop period will receive a refund of tuition and mandatory fees, including nonresident tuition, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or nonresident tuition.

- The fees were assessed or collected in error;
- The University canceled the course for which the fees were assessed or collected;
- The University makes a delayed decision that the student was not eligible to enroll in the term for which mandatory tuition and fees

were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student; or

- The student was activated for compulsory military service. Students who are not entitled to a refund as described above may petition the university for a refund demonstrating exceptional circumstances and the chief financial officer of the University or designee may authorize a refund if he or she determines that the fees and tuition were not earned by the University.
- Refunds will be processed approximately three weeks after Add/Drop period (end of the third week).
- All refunds are made in accordance with Title V of the California Administrative Code (See Schedule of Classes for Prorata table).
- Not all fees are refundable.
- \$10 is retained by the University to cover processing and the non-refundable portion of the Tuition Fee.
- Refunds are issued via direct deposit to your designated bank account, by mail in the form of a check, or credited back to the same credit card used via TouchNet® PayPath™.
- Students whose unit load drops from 6.1 or more units to 6.0 or fewer units may be eligible for a refund of the difference in the Tuition Fee during the campus designated drops period. See Schedule of Classes for information. Information concerning the refund policies of CSU Dominguez Hills for the return of unearned tuition and fees or other refundable portions of institutional charges is available from Student Financial Services at sfs@csudh.edu or by phone at (310) 243-3780. See web page at <http://www.csudh.edu/accounting-services/student-financial-services/student-financial-accounting/index> (<http://www.csudh.edu/accounting-services/student-financial-services/student-financial-accounting/index/>) for additional information. In addition, any debt owed to the University by an individual student will be subtracted from the refund due.

Fees and Debts Owed to the Institution

Should a student or former student fail to pay a fee or a debt owed to the institution, including tuition and student charges, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of charges and fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student charges and fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

The institution may not withhold an official transcript of grades by the institution from anyone owing fees or another debt to the institution (see Title 1.6C7 (commencing with section 1788.90) Part 4 of Division 3 of

the Civil Code). The institution can still charge a fee for the issuance of the transcript pursuant to their published transcript processing fee.

If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact Student Financial Services at sfs@csudh.edu or by phone at (310) 243-3780. Student Financial Services, or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

Cancellation of Registration or Withdrawal from the Institution

Students who find it necessary to cancel their registration or to withdraw from all classes after enrolling for any academic term are required to follow the University's official withdrawal procedures. Failure to follow formal University procedures may result in an obligation to pay fees as well as the assignment of failing grades in all courses and the need to apply for readmission before being permitted to enroll in another academic term. Information on canceling registration and withdrawal procedures is available from the University Registrar's Office 1000 E. Victoria St. Carson, CA 90747. (310) 243-3648.

Students who receive financial aid funds must consult with the Financial Aid office prior to withdrawing from the university regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. Students who have received financial aid and withdraw from the institution during the academic term or payment period may need to return or repay some or all of the funds received, which may result in a debt owed to the institution.

Average Support Cost per Full-Time Equivalent Student and Sources of Funds

The total support cost per full-time equivalent student (FTES) includes the expenditures for current operations, including payments made to students in the form of financial aid, and all fully reimbursed programs contained in state appropriations. The average support cost is determined by dividing the total cost by the number of FTES. The total CSU 2020/21 budget amounts were \$3,722,806,000 from state General Fund (GF) appropriations before a \$42.7 million CalPERS retirement adjustment, \$626,783 from gross tuition revenue, and \$612,221 from other fee revenues for a total of \$6,961,810. The 2020/21 resident FTES target is 374,131 and the nonresident FTES based on past-year actual is 22,154 for 396,285 FTES. The GF appropriation is applicable to resident students only whereas fee revenues are collected from resident and nonresident students. FTES is determined by dividing the total academic student load (e.g. 15 units per semester) (the figure used here to define a full-time student's academic load).

2020/21

Fee	Amount	Average Cost per FTES	Percentage
State Appropriation (GF) ¹	\$3,722,806,000	\$9,952	55.0%
Gross Tuition Revenue ²	\$2,626,783,000	\$6,629	36.5%
Other Fees Revenue ²	\$612,221,000	\$1,545	8.5%

Total Support Cost	\$6,961,810,000	\$18,125	100%
---------------------------	-----------------	----------	------

For more information or questions, please contact the System Budget Office in the CSU Chancellor's Office at (562) 951-4560.

¹ Represents state GF appropriation in the Budget Act of 2020/21; is divisible by resident students only (374,131 FTES).

² Represents CSU Operating Fund, gross tuition and other fees revenue amounts submitted in campus August 2020/21 final budgets. Revenues are divisible by resident and nonresident students (396,285 FTES).

The 2020/21 average support cost per FTES based on GF appropriation and net tuition fee revenue only is \$16,235 and when including all three sources as indicated below is \$17,780, which includes all fee revenue (e.g., tuition fees, application fees, and other campus mandatory fees) in the CSU Operating Fund of this amount, the average net tuition and other fee revenue per FTES is \$7,829.

The average CSU 2020/21 academic year, resident, undergraduate student basic tuition and other mandatory fee required to apply to, enroll in, or attend the university is \$7,363 (\$5,742 tuition fee plus plus \$1,621 average campus-based fees). However, the costs paid by individual students will vary depending on campus, program, and whether a student is part-time, full-time, resident, or nonresident.

Procedure for the Establishment or Abolishment of Campus-Based Mandatory Fees

The law governing the California State University provides that specific campus fees defined as mandatory, such as a student association fee and a student center fee, may be established. A student association fee must be established upon a favorable vote of two-thirds of the students voting in an election held for this purpose (Education Code, Section 89300). The campus President may adjust the student association fee only after the fee adjustment has been approved by a majority of students voting in a referendum established for that purpose. The required fee shall be subject to referendum at any time upon the presentation of a petition to the campus President containing the signatures of 10 percent of the regularly enrolled students at the University. Student association fees support a variety of cultural and recreational programs, childcare centers, and special student support programs. A student center fee may be established only after a fee referendum is held which approves by a two-thirds favorable vote the establishment of the fee (Education Code, Section 89304). Once bonds are issued, authority to set and adjust student center fees is governed by provisions of the State University Revenue Bond Act of 1947, including, but not limited to, Education Code sections 90012, 90027, and 90068.

The process to establish and adjust other campus-based mandatory fees requires consideration by the campus fee advisory committee and a consultation or student referendum process as established by California State University Student Fee Policy, Section III (or any successor policy). The campus President may use alternate consultation mechanisms if he/she determines that a referendum is not the best mechanism to achieve appropriate and meaningful consultation, and referendum is not required by the Education Code or Student Success Fee policy. Results of the referendum and the fee committee review are advisory to the campus President. The President may adjust campus-based mandatory fees but must request the Chancellor to establish a new mandatory fee. The President shall provide to the campus fee advisory committee a report of all campus-based mandatory fees. The campus shall report annually to the Chancellor a complete inventory of all campus-based mandatory fees.
